

What i-STEM does

i-STEM is a professional development program providing high-quality, relevant and hands-on STEM opportunities to Idaho educators at 6 regional locations throughout Idaho. i-STEM provides content and materials focused on Idaho topics and interests to inspire educators and students, important contributors to Idaho's current and future economy.

Idaho State
UNIVERSITY

Industry and Education Working together in Eastern Idaho

INL believes in bringing STEM education to communities to build its future workforce and the region's economy. INL's support of College of Eastern Idaho's i-STEM Institute provides strand instructors and materials, raffle prizes, speakers and field trips.

802 West Bannock, Suite 900 Boise, ID 83702

Phone (208) 332-1729 • stem.idaho.gov/iSTEM

SPONSORSHIP OPPORTUNITIES

Supporting i-STEM provides strand instructors, kits for educators to take back to their teaching environments, site coordination, field trip transportation, event luncheons and nationally recognized keynote speakers.
