

P3 Public-Private Partnerships

2020 YEAR IN REVIEW

OUR PARTNERS

Businesses, foundations and individual partners invested in their communities

51 Idaho STEM programs

IDAHO COMMUNITIES SERVED

Support for STEM learning opportunities came from donors within their own communities

WHAT P3 PROVIDED

P3 funding expanded access to STEM learning opportunities at schools, museums, libraries, student clubs, and out-of-school programs

41 organizations were funded through P3. Committed donors see their support leveraged through a funding match by Idaho STEM Action Center.

55 Partners

32 Businesses

8 Foundations

15 Individual Donors

Student Impacts

Direct: 64,999 / Indirect: 346,838

Educator Impacts

Direct: 13,563 / Indirect: 18,950

Community Member Impacts

Direct: 161,688 / Indirect: 1,051,465

What P3 Partnerships Funded

- 27%** Events Supporting Youth & STEM Pathways
- 20%** Materials & Maker Labs

Idaho STEM in action examples:

LAKELAND JOINT SCHOOL DISTRICT
Committed to Academic Excellence ... Dedicated to Student Success

Lakeland School District, Rathdrum, received a grant for teachers from each of the six Lakeland Joint School District elementary schools to participate in professional development focusing on Dash robots. The Lakeland teachers returned to their buildings and shared their knowledge with colleagues and incorporating the use of the Dash robots into their classrooms.

BOYS & GIRLS CLUB
OF NAMPA

The Boys and Girls Club of Nampa grant established a STEM Program at the Club. The program includes DIY STEM kits for hands-on, activity-based STEM curriculum. Curriculum includes experiential, environmental education activities as well as a computer science pathway to learn coding.

MUSEUM
of
IDAHO

Museum of Idaho, Idaho Falls, hosted the "Animal Inside Out" traveling exhibit, January 23 to September 19, 2021. Visitors explore the intricate biology and physiology of some of the world's most spectacular creatures. The exhibition draws attention to the animal kingdom to inspire a deeper appreciation and respect for animals and the environments they need to survive.

Idaho STEM Action Center is a statewide agency, housed under the Office of the Governor, created in 2015 to provide Idaho's students, educators and communities with life-shaping STEM learning opportunities. Donations made to Idaho STEM Action Center may be eligible for the Idaho Education Tax Credit.

Idaho STEM Action Center Foundation is a 501(c)(3) non-profit organization, created to raise funding and develop partnerships in support of Idaho STEM Action Center programs and initiatives.
