IDAHO WORKFORCE DEVELOPMENT COUNCIL

STEM LENDING LIBRARIES

Inspiring Curiosity. Building Skills. Shaping Idaho's Future.

WDC Lending Libraries provide educators and communities with STEM kits and resources to engage students in hands-on career connected learning

HOW IT WORKS

1. **Browse** — Explore available kits on the website catalogue.
2. **Borrow** — Pick up or arrange delivery and use the kit with your students.
3. **Return** — Return kits up to 4 weeks after checkout so others can benefit.

RESOURCES YOU NEED, STUDENTS INSPIRED

When educators have the right resources, Idaho students can achieve anything.
