STORYTIME!

Stories that power and
fuel the EcosySTEM!

Your Story

- Top three takeaways from this convening.
- What has made you feel the most engaged with the EcosySTEM in the past year? What makes this so impactful?
- How can the EcosySTEM get even more engagement in the coming year? What new ideas would you suggest the EcosySTEM consider (programs, audiences, strategies, etc)?
- What are your personal/professional goals for participating in the EcosySTEM in the coming year? What types of projects would you like to assist with and how?
- What questions still need answered for you regarding the EcosySTEM?

On the horizon:

- Decide on a non-profit umbrella organization to act as the new backbone organization
- Recommend staff for:
 - Director
 - Coordinator
 - Hub Coordinators
- Run place-based, competition, and small grant programs through new structure.
- And more!

On the horizon:

- Sponsor STEM EcosySTEM
- Participate in STEM EcosySTEM
- i-STEM Build Year
- Coordination of state agency STEM activities
- Consultation model
- Tour the state to learn and listen
- Start a pilot grant program
- And more!
