

The Idaho STEM Ecosystem will foster the integration of STEM in the educational experiences of all Idahoans

Idaho STEM EcosySTEM Working Groups

Interested in joining a working group? Please reach out to the committee lead.

- i. **Opportunities & Access:** The goal of this group is to identify practices and systems that contribute to sustaining barriers and biases for underserved and disenfranchised populations. Lead Contact: Erica Compton: Erica.Compton@stem.idaho.gov
- ii. **Communications & Public Awareness:** Focused on three areas during our meeting: how to join; how to engage with the other working groups; and how to highlight partners. Lead Contact: Dr. Angela Hemingway: Angela.Hemingway@stem.idaho.gov
- iii. **Career Pathways & Exposure:** The goal for this group is to further develop clear STEM career pathways for Idaho's youth and to expose them to those pathways. Lead Contact: Finia Dinh: Finia.Dinh@stem.idaho.gov and Nick Crabbs: nick@vynyl.com
- iv. **Educator Preparation, Training & Support:** The goal of this group is to find new and better ways to prepare and support PreK-20 educators in STEM education. We are a diverse group, with individuals from formal and informal learning, school administration, higher education, after school programs and out-of-school organizations, curriculum developers, state agencies, and industry. Lead Contact: Dr. Kaitlin Maguire: grants@stem.idaho.gov
