Upcoming Idaho STEM Opportunities For Educators:

Family STEM Awareness Event Grant *(Deadline: February 7)*

The Family STEM Event Grant is designed to support a publicly-funded organization wishing to host a family STEM event. The event needs to target not only students, but also their parents/guardians, industry and the community at large. The event could focus specifically on math or science or be in celebration of STEM in general. Grants of up to \$1,000 will be awarded to those organizations selected. [Learn More Here](#)

STEM Career Awareness Event Grant *(Deadline: February 26)*

The STEM Career Awareness Grant is available to publicly-funded K-12 schools and educational organizations wishing to provide students with hands-on experiences with STEM (science, technology, engineering, math) jobs and face-to-face exposure to STEM professionals. Up to \$1,000 will be provided to successful applicants. [Learn More Here](#)

February STEM Giveaway *(Deadline: February 28)*

Thanks to a donation from our partner Idaho National Laboratory, we are giving away a Classroom STEM Bundles to one lucky Idaho public school / organization in February! The deadline to enter is February 28, 2017 and we will announce the winner on our Facebook page on March 3, 2017. Good luck! [Learn More Here](#)

For Students:

Idaho Governor's Cup Scholarship *(Deadline: February 15)*

The Idaho Governor's Cup Scholarship provides approximately 25 awards, depending on funding, to Idaho high school seniors planning to attend an Idaho college or university. Awards will be available to scholars pursuing academic and career technical education. This is a \$3,000 award, renewable up to four years for academic programs and up to three years for career technical programs. [Learn More Here](#)
