

FAMILY STEM EVENTS SCROING RUBRIC

GRANT CRITERIA	Total possible points	CRITERIA FOR SCORING			SECTION SCORE	Justification
		Deficient	Limited	Competent		
STEM Learning Need	20	The event proposal does not define how the grant will support student needs in relation to STEM. (0-6 pts)	The event proposal somewhat defines how the grant will support student needs in relation to STEM. (7-13 pts)	The event proposal clearly defines how the grant will support student needs in relation to STEM. (14-20 pts)		
Community Involvement	15	The proposal does not define who will be involved and/or how the community will be informed of the event. (0-5 pts)	The event proposal is limited in how it defines who will be involved and how the community will be informed of the event. (6-10 pts)	The event proposal clearly defines who will be involved in the family night and how the community will be informed about the event. (11-15 pts)		
Creative and Original Approach	10	The event shows no innovation in its approach and this is not a unique event. (0-3 pts)	The event shows limited innovation with some elements being unique. (4-7 pts)	The project is an innovate approach to engaging families. This is a very unique event. (8-10 pts)		
Impact	10	This proposal does not define who will be impacted. (0-3 pts)	The proposal only defines students or community members that will be impacted directly as a result of the funding, but not both. (4-7 pts)	The proposal defines how many students and community members will be impacted directly as a result of the funding. (8-10 pts)		
Proposed Budget	10	The proposal does not contain a budget.(0-3 pts)	The proposal's budget is incomplete or does not contain items as listed in the project. (4-7 pts)	The project contains a proposed budget which is complete, well-justified and is the best estimate of planned expenditures. (8-10 pts)		
Sustainability	10	The proposal does not clearly indicate if or how this event will lead to future family programs. (0-3)	The proposal does not include a plan of how this event fits into a sustained series of family programs with well-articulated cohesive goals. (4-7)	The proposal includes a plan of how this event fits into a sustained series of family programs with well-articulated, cohesive STEM-related goals. (8-10)		
TOTAL	75					

Bonus Points

Inclusion of underrepresented populations	5	The proposal does not indicate that it will serve typically underserved populations. (0-1)	The proposal indicates that it will serve typically underserved populations but does not specify the populations to be served, how many will be served, and/or how they arrived at the number. (2-3)	The focus of the proposal is on reaching underserved populations. The proposal indicates that it will serve typically underserved populations, and specifies the populations and how many will be served. (4-5)
