

# *You Are Invited!*

## Exploring Futures in Engineering

**Thursday November 10, 4-6pm**  
(Presentation starts at 4pm, tours from 5-6pm)

Boise State University  
Engineering Building, Room 110 • 1375 University Drive

***Parent attendance strongly encouraged! • Bring a friend! • A program just for you!***

What's it really like to be an engineering student? Bring your questions for the Dean Amy Moll, a student panel, Advising, and Admissions Representative.

- Learn about scholarships, student clubs, living learning community, internships, research, and more!
- Tour research labs in engineering, computer science, and construction management
- Yummy snacks too!

Request a FREE parking permit by emailing [laburusa@boisestate.edu](mailto:laburusa@boisestate.edu)

For more information contact Leandra Aburusa-Lete at 426-4432 or [laburusa@boisestate.edu](mailto:laburusa@boisestate.edu)

*RSVPs are highly encouraged but not required*
